25th June 2018

Dear Parents/carers

As you can see and as I've mentioned through Class Dojo, we now have a new school logo. Can I take this opportunity to thanks all the children (parents and grandparents) involved in creating the design. The final design incorporates what the children think is important to our school. The cross to represent our close links to St Thomas' Church, the children to represent our school family and the pit wheel to represent our community. I sure you'll agree the children have done a very good job in encapsulating what the values of our school are.

Although the new logo will not have its official launch until September, you will be able to order school uniform from Prestige Printers with the new logo on. In the reception area, near my office, there is a display of the school uniform for you to be able to pop in have a look at. There is no deadline of the old school logo to end at St Thomas', it has been decided that we will phase it out over time. You can still have your children name sewn onto the uniform too like previously.

Can I also take the opportunity to tell you that our new school website is now up and running. The address is http://www.stthomas-kilnhurst.co.uk. It is regularly updated with news and events - so please have a look.

Closing date for school photographs is this coming Friday (29th June). Please make sure you come into school, order via school money or phone to get you order in to avoid disappointment. You can pay by cash at the school office or on the School Money website. Please note photos must be paid for before they ordered.

Kind regards

Mrs V Sherwood
Head of School
