Dear Parent/Carer

Sex and Relationship Education

As part of the school’s statutory responsibility, the children will be learning about the changes that occur during puberty, including the menstrual cycle, and how this relates to the human reproductive cycle. These lessons will take place on Thursday 28th June and Thursday 5th July, 11am-12pm. The session will include opportunities for the children to ask questions, privately or anonymously if they prefer. The girls and boys will begin the session together to discuss body changes and hygiene but then will be separated for the remainder of the session.

If you would like to discuss this with me prior to Thursday, please do not hesitate to contact me. Parents/carers have the opportunity to view the DVD and materials that will be used on Wednesday 27th June, 8am-8:30am. As your consent will be required for your child to participate in Sex and Relationship Education sessions, could you please sign and return the reply slip below. Children who do not return the consent form below, will be unable to participate in the session.

Regards

Mrs Andrassy
