23rd February 2018

Dear Parent/carer,

During this term, the children in Class 6 will be making Smoothies to support their understanding of ratio and proportion in Mathematics. They will be tasting smoothies made from different proportions of ingredients and making and selling them during break the following week.

The ingredients that will be used are: strawberries, bananas, strawberry yoghurt, vanilla yoghurt and plain yoghurt.

Please complete and return the slip below in order for your child to participate in this activity.

Regards

Mrs R Andrassy
