9th January 2018

Dear Parents/Carers,

On Friday 19th January Trish Sharpe will be coming in to school to talk to parents regarding E-safety. This will take place straight after our Family Assembly on Friday 19th January 2018.

Parents are still invited to this assembly and the parent E-safety workshop will be taking place straight after at 9.45am.

Information will be given on how to keep your child safe using the Internet. Tea, coffee and bacon sandwiches will be provided.

So we have an idea of numbers, if you wish to attend this workshop please complete the form below and return to the class teacher or school office.

Thank you for your continued support.

Mrs V Sherwood
Head of School

Miss J Reed
ICT Co-ordinator
