Dear Parents/Guardians

It has been brought to my attention that children are bringing into school inappropriate items that they do not need in their school day.

The only items that children should bring into school are their lunch boxes, book backs and PE Kit. Please can you be extra vigilant and ensure that no other items such as toys, electrical items etc. are brought into school. I am aware that sometimes children do brings items in to school that you are not aware of, if so they must hand in to their Class Teacher to be locked away safe. Otherwise school do not accept any responsibility for lost / broken items.

The Staff have the right to confiscate any items from children that they deem inappropriate and will return at a later date.

If your child needs to bring in a mobile phone as they walk home from school alone after school clubs, this must be handed into the school office with their name on it.

Thank you for your co-operation, I really appreciate your ongoing support with this matter.
