Dear Class Reps,

We are writing to request your support in obtaining feedback from the class parents on the current P.E provision at Thames Ditton Infant School and how the Primary School Sports funding may be used in the future to make additional and sustainable improvements to the quality of P.E. and sport the school offers.

To date, TDIS have used Primary School Sports funding in many ways, including staff training and development, new sports equipment, sports coaching for every child in school across the year, lunchtime sports provision and opportunities for the children to visit sporting settings.

Looking forward, we want to develop and improve how we allocate our Primary School Sports funding from the government and potentially expand the P.E provision that the school currently offers such as football, tennis and Sports 4 stars. We would like your help in identifying suitable alternatives.

Please can you send any feedback and ideas you or your class parents may have to Becky Robinson at office@thames-ditton-infant.surrey.sch.uk by Monday 21st May. We look forward to hearing from you so that we can give careful consideration to the various options proposed and plan our next steps.

Becky Robinson
P.E. Subject Leader
