WHAT IS PUPIL PREMIUM?

Pupil Premium is additional funding for schools in England to raise the attainment of disadvantaged pupils and close the gap between the disadvantaged pupils and their peers.

“It is for schools to decide how the Pupil Premium allocated to schools per FSM pupil is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.” (DfE)

At The Hall we have high aspirations and ambitions for all our pupils and we believe that no child should be left behind. We strongly believe that it is not about where you come from but how much you want to learn and the effort you give to learning however difficult it seems, that makes the difference between success and failure.

We are determined to ensure that our children are given every chance to realise their full potential. We use the money to remove barriers to learning and ensure that all children participate fully in the life of The Hall to reach their full potential. Pupil Premium funding and other funding from The Hall’s own budget is used to ensure that we impact effectively on pupil outcomes.
