Dear Parents,

As part of our summer term theme, we are delighted to offer a new and exciting opportunity for your child to join us on one day, one night residential trip to Top Barn, University of Worcester, Lakeside Campus, which will provide all with opportunities to further develop their current skill set. We will be travelling to Top Barn on Friday 28th June 2019, staying for one night at the campus in tents, provided by the University, before being collected from Top Barn on Saturday 29th June 2019 at 10am.

During our time on our residential, some of the activities the children will enjoy include: bush craft activities, team building games, orienteering and sports games. Orienteering, bush craft and team building will be led by qualified instructors provided by the team at the centre.

The total cost of the trip will be £37 per pupil which includes dinner and breakfast (a packed lunch will be required for the Friday lunchtime), coach travel to the centre (children will need to be collected by parents/guardians from the centre), overnight costs and all the activities listed above.

The trip is being booked through the University of Worcester, one of the area’s well established universities with more than 40 years’ experience in working in the sector of education. They have and continue to work closely with us throughout the whole planning process to ensure that your child will get the very best learning experience whilst away.

We will be holding an initial information meeting about the visit on Tuesday 30th April at 3.45pm. This meeting is just for parents to find out a little more about the visit, to ask any questions you might have and to give the staff an idea of numbers who want to participate in the visit.

We really hope that your child will be able to join us on this exciting visit! Please return the completed slip below, to your child’s class teacher by Friday 12th April 2019.

Many thanks,
Joseph Mason
