**Weekly Home Learning Overview – Title**

**Week beginning:** 13th July 2020

**Year Group:** 5

**Topic:** Transition Week

<table>
<thead>
<tr>
<th>Weekly Maths Tasks (Aim to do 1 per day)</th>
<th>Weekly Reading Tasks (Aim to do 1 per day)</th>
</tr>
</thead>
<tbody>
<tr>
<td>● Play <a href="#">Hit the Button</a> - focus on times tables and squared numbers.</td>
<td>● Reading for Pleasure. Read the extract of <a href="#">Jungle Drop</a>, the third book in the Unmapped Chronicles collection. This is the upcoming book by Abi Elphinstone and is not due on sale until 14th October 2020. Mrs Buggins is very excited for the release of this book! Email <a href="mailto:parentsiny5@theoaks.bham.sch.uk">parentsiny5@theoaks.bham.sch.uk</a> to let us know what you think.</td>
</tr>
<tr>
<td>● Daily arithmetic lessons. Choose a level and then select an area of maths.</td>
<td>● Check out this list of books to be read in Years 5 and 6. Try and see if you can find an extract or are able to buy one. <a href="https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-6-pupils-ks2-age-10-11/">https://schoolreadinglist.co.uk/reading-lists-for-ks2-school-pupils/suggested-reading-list-for-year-6-pupils-ks2-age-10-11/</a></td>
</tr>
<tr>
<td>● White rose daily lessons, these are linked to the daily <a href="#">BBC Bitesize lessons</a>. Use the <a href="#">worksheets</a> to record your working out.</td>
<td>There’s also a few more that Mrs Buggins has bought and has really enjoyed throughout lockdown: Kick by Mitch Johnson The Infinite (The Leap Cycle) by Patience Agbabi Troo friend by Kirsty Applebaum</td>
</tr>
<tr>
<td>● Log in to <a href="#">IXL</a> to see what Miss Saidler and Mrs Buggins have set for you.</td>
<td>If you do buy any and would like to share your views about what you recommend, email <a href="mailto:parentsiny5@theoaks.bham.sch.uk">parentsiny5@theoaks.bham.sch.uk</a></td>
</tr>
<tr>
<td>● <a href="#">Super Movers</a> learn maths skills through dance and music. There is also an English and Science collection.</td>
<td>● Watch <a href="#">Newsround</a> and discuss what is happening in the wider world. What positive news have you listened to? How does it make you feel?</td>
</tr>
<tr>

| musical, political, accidental, mathematical, functional, tropical, professional, central, global, industrial  
- Look at the spellings for this week, converting nouns or verbs to adjectives using the suffix -al  
- Find out the meaning of the suffix, -al. What happens to the root word when this suffix is added?  
- Can you include these spelling in your conversations or writing?  
- Create your own crossword spelling sheet for the suffix al.  
- Complete this week’s spelling word search.  
- Test yourself each day. |  
- Complete the transition sheet (see resources section) and email a picture of your completed work.  
- Complete the SPaG Mat answers are included.  
- Write a letter to your new teacher. Think about what you would like them to know about you. What are your strengths? What do you find challenging? What would you like to learn about in Year 6?  
- Keep a diary through the summer holidays. Write down all of the things you do, what you see and what you are thinking at different parts of the day. |
Let’s Wonder: P4C (Philosophy for Children)

What is P4C?
- P4C stands for Philosophy for Children, but it’s simpler to do than the name makes it sound.
- It’s all about having thoughtful conversations with your children and exploring interesting ideas.
- Schools all over the world use it. In the UK, thousands of children and students do P4C every week.

How does it work?
- We suggest something to stimulate an interesting conversation.
- We suggest some talking points for you to discuss with your children.
- You find out what they think and what other ideas they have.
- You ask plenty of questions and try to hold back on your own views.

For age 10+ years

Nim — Ancient Chinese strategy game, perfect for thinking AHEAD!

Complete the game, Nim (see above and the resources section for instructions and questions) Think about the different strategies that could help you to win. Is it more fun to play or to win? Use the questions to have a discussion with your opponent.
Let's Create: (Art, Science, D&T and Computing)

**Summer Holiday Project**
Research, design and create your own project. This could be a piece of art, a model, a new recipe or a demonstration of how you completed a computer game or level of a computer game. Remember to think about the purpose for your creation. Will it help somebody else or is it just for fun. Take pictures and email them to parentsiny5@theoaks.bham.sch.uk

**Reflect**
Complete the *My School Year Memory Page* (see resources section)
What have you enjoyed about this year so far? What would you change if you could? What are your hopes for Year 6? When you have completed this or drawn your own copy, you can take a picture and send it in to parentsiny5@theoaks.bham.sch.uk It would be lovely to hear your thoughts about what you have enjoyed.

**Be Active:**

*Recommendation at least 2 hours of exercise a week.*

[Jo Wicks](https://joowicks.com) three days a week at 9am.

Set yourself a challenge to get more active.

Try **10 squats, 10 lunges and 10 press ups.**
How long does it take you to complete? Can you get faster by completing them each day? What is the quickest time that you can complete them in?

**Other Useful links to Support Learning**

*From Monday 20th April at 9am, BBC Bitesize will bring you new things to do and learn every day!*

**Twinkl Parents Hub**

Hometalk discussion suggestions

For age 10+ years

Nim – Ancient Chinese strategy game, perfect for thinking AHEAD!

The Rules

- Set up the game as shown, using any objects – coins/cutlery/stones - or just draw it on paper
- Play in pairs, or two teams, taking turns to play
- On each turn, remove as many of the objects as you like from whichever row you like, but you can only remove from one row on each turn
- The person or team to take the last one loses

Talking Points

- Would you rather go first or second? Why?
- Is there a way to win?
- Is there a point at which you can say the outcome is guaranteed and that you can predict the winner?
- Does it matter who goes first?
My School Year Memory Page

- This is me!
- Greatest school trip
- Favourite book I have read
- My teacher
- Best outdoor classroom activity
- Funniest memory
- Best classroom activity
- New friends
- New friends
