Focus: Can I subtract money?
Please look on the website for video link for the input and read the ‘notes to adults’ for support.
Please complete daily times table either on:
TT rockstars or Maths frame

Fluency

1. £5 - £3 and 30p
2. £10 - £5 and 40p
3. £20 - £13 and 50p

1. £5 - £3 and 45p
2. £10 - £8 and 99p
3. £20 - £13 and 89p

Reasoning and Problem solving

Three children are calculating £4 and 20p subtract £1 and 50p.

£4 - £1 = £2
20p - 50p = 30p
£1 + 30p = £1 and 30p

Annie

Teddy

The difference is £2 and 70p.

£4 and 20p - £2 = £2 and 20p
£2 and 20p + 50p = £2 and 70p
