Good afternoon Year 3

Last lesson:
What did you use to organise your information writing?

Paragraphs
Subheadings

Last lesson
If I went to the shop with £5 and bought 3 packets of sweets that cost 30p each, how much money would I have left?

30p + 30p + 30p = 90p

£5.00 - 90p = £4.10

Last term:
What prefix could be used on all the words below?
superman
supermarket
superstore
Extension: Can you think of more words that can use this prefix?

Last term
1. 345 - 176 = 169
2. 456 + 388 = 844
3. 45 x 3 = 135
