
Today’s task is looking at how to add different ‘shun’ endings onto different root words. There is a video on the website for you to watch and follow; it is just like an input we would do in class. Click on the link at the top of the year 3 page and it will take you to the video. Follow the video and pause it at each task to allow yourself time to have a go at each task before moving on.

Success criteria:

- I can add different ‘shun’ endings onto root words
- I can remember some of the rules for adding ‘shun’ endings onto words
- I was able to listen to a sentence being read and write it into my book.
