English

Writing (2 hours): Today is the day! Write a story based on the adventures of your animal, including the setting you described! Remember, the writing features I would like you to include are listed below.

When you write your story, I would like you to include at least six examples of punctuation for parenthesis (remember, these can be pairs of brackets, commas or dashes to add extra information). I would also like you to include: **direct speech, relative clauses and fronted adverbials**.

Once you have completed it, make sure you read through and edit your capital letters and full stops. Have you used ambitious vocabulary or used words such as ‘nice’? If your adults are available, ask them to have a read-through to see if there are any spellings you need support with (adults – can you choose four at most please?). I’d love to read the finished stories!
Maths (1 hour, 15 mins)

CLICK: 6,548 X 37

LO: to recap on the week’s learning.

WARNING: THIS IS A NEW TOPIC WITHIN FRACTIONS, SO WE WILL FOCUS ON IT THROUGHOUT THE WEEK!

This video will explain the maths behind them:
https://www.youtube.com/watch?v=TrutPJf9GmQ

Convert these into improper fractions:

1 2/3 3 ½ 5 ¾ 6 2/5 8 4/6
9 3/7 11 5/8 14 4/9 16 3/10

Convert these into mixed numbers:

13/2 19/3 23/4 31/5 46/6
53/7 67/8 74/9 102/12

PSHE (1 hour)

Earlier in the year, we spoke about the importance of our wellbeing. We discussed activities that were good for our wellbeing: talking to our friends, playing sports games, riding our bicycles, etc. This week has been completely out of the ordinary for us all. For this lesson, I would like you to do two different things:

1. Talk to your adults about how you are feeling. I know I have been through a whole range of emotions this week because it is completely different to a normal school week!

2. Think of three different activities you can do in your house/garden that will be good for your wellbeing. Video calling friends has really helped me!

Have a beautiful weekend, Badgers. 😊
