Week beginning Monday 7th October 2019

Please make time to talk to your child about what we have been learning this week. You can use this sheet as a gentle reminder!

The children are really growing in their independence and we are very proud of how many children are now coming in to the class rooms in the morning without their parents or carers - well done!

- Our theme for this week has been Our Senses! We have used some of our senses in our bread investigation this week. We have touched, smelt and tasted different breads and then described them. Later on in the week, we read the book Zed's Bread and discussed the different types of bread there were. The children then baked some bread and spoke about the process of making it, the bread looked so yummy! We hope your children enjoyed eating it. The children enjoyed this investigation so much we have decided to complete another experiment next week with different types of fruit. There will be a letter in your child's book bag to sign and return, giving us permission for them to try the different fruits.
- In Maths, we have been learning all the number 5. We now know a rhyme to help us remember how to write it and have looked at how to show the quantities of objects to match the numeral. We have been using the interactive whiteboard to watch the numberblocks series to help with our learning and recognition of numbers. We have also been continuing to practice our numbers 1-4 by singing songs and playing games to help us remember.
- In PE this week, we warmed up by singing and moving at the same time! We then played some games using all the space in the hall. We are getting so good at getting changed and then putting our uniform on again! All the children are working so well at this - they must be practicing hard at home, please keep up the hard work by practicing at home.
- We have been learning our phonic sounds /ck/, /e/, /u/ and /r/. Ask me how to make these sounds and let me show you the actions and song that go along with the sound! Keep practicing to write your letter sounds in your phonics books at home.

WOW Notes!
Thank you to everyone who has sent in a WOW note - please do keep sending them in. The children are always very proud when we celebrate their successes from home!

Welly Boots and Warm Coats.....
If you haven't already sent your wellies, please do as the weather is changing.....! Boots can be taken home at weekends but please do bring them back. Coats (named of course!) need to be brought in every day. Our waterproofs are good for keeping the water out but are not warm.

Dates for the diary:
Monday 21st and Thursday 24th Parents evening
Half term: Monday 28th October – Friday 1st November 2019
Monday 4th November: INSET DAY

Have a lovely weekend!

Mrs Smith, Miss Smolinski and Mrs K
