This week we continued our topic To the Rescue by learning about Doctors and Nurses.

In literacy the children looked at a power point all about a Doctors Surgery and found out what happens in a Doctors Surgery and who works there. The children then thought about all the people who we learnt about this term and how they help us. The children did some freeze frames of scenarios and we had to work out who could help e.g. a cat is stuck up a tree- the firemen could come and help. The children had lots of fun acting these out.

In Maths, we have been learning addition up to number 10 and how to write a number sentence. The children have been doing the part, part, whole model for the number 10 and also rolling two dice to find the total. The children have had a go at writing number sentences on whiteboards for their sums. Well done to all the children as this can be quite tricky!

In phonics we have been revising some of our tricky words (words we cannot sound out and we just have to remember). We have also been revising some of our diagraph letter sounds and how we can read them and write them in words.

In the afternoons we have been making hearts for Valentine’s Day by cutting and sticking tissue paper onto the heart. The children all wrote a message and it was stuck on the back of the heart. The children loved making these and worked really hard.

In P.E. we have continued to do games, using all of the apparatus safely and sensibly. The children practised moving around the hall in many different ways- skipping, hopping, jumping, jogging, big steps, tiptoe steps. Well done to all the children for using all the space and looking where they were travelling.

Tapestry:
Please log onto tapestry as the observations for this half term will be published today. If you have any trouble logging on then please come and speak to one of us.

Dates for the Diary:
Half Term - week beginning Monday 17th February
The children will come back to school on Monday 24th February

We hope you all have a restful half term and a well-deserved break. Thank you to all of you for your continued support, we hope the children enjoy the half term holiday.

Miss Smolinski, Mrs Bullett, Mrs Littlechild and Mrs K
