Dear Parents –

We are a small local charity whose focus of attention during the next six weeks, and beyond, is to help those who are struggling to finance food for the family.

We hear about foodbanks within towns and cities, but we are very aware that if your home is within a rural community, then this does not help to satisfy your needs.

Please, if finding funding for food, is a problem – ask us for help.

We will not disclose your request to anyone else – it will be treated confidentially.

HOW DO YOU ACCESS HELP?

1. Either phone us – if we are out – leave a message. We will respond.
2. Email us – if you have access to the internet.
3. We will visit you and talk to you about your shopping needs/ if you would prefer us not to visit, we will meet somewhere neutral.
4. Together, we will write a shopping list – and we will arrange to hand the food to you.
5. We want to help – we wish to remove one of the causes of anxiety for you.

We are here to help you in a practical way – Cathy Hillman
