Lent is one of the most important times of year for many Christians around the world. Different people observe Lent in different ways, often by giving something up for Lent. But what if you could add something transformational to the traditional? What if you could give up chocolate and give the money to your favourite charity? What if you could turn the TV off and spend more time helping your neighbour? What if Lent was a preparation for a lifetime of big-heartedness that reflected God's amazing generosity? independently

Here at Walesby C of E Primary we will be taking part in the 40 acts challenge. 40 acts is a generosity challenge which invites people to do Lent a bit differently.

Each day during Lent, we will do a different challenge. We will reflect on the meaning of Lent and complete simple acts of generosity. A full list of the challenges is available on the school website.

If you wish to join us at home in the 40acts challenge, ideas and resources are available at www.40acts.org.uk

Together, we love, learn and grow with God.
