Length of time in post: 7 years

National Award for SEN coordination (NASC) status: Awarded

Our existing policy is reviewed annually following the implementation of the 2014 SEND Code of Practice and reflects the 0-25 guidance.

September 2017
Rationale:
At Waverley every child is equal, valued and unique. We aim to provide an environment where all children feel safe and can flourish. We will respond to individuals in ways which take into account their varied life experiences and particular needs. Waverley is committed to providing an appropriate and high quality education to everyone within its community. We seek to raise achievement, remove barriers to learning and ensure inclusion for all children.

Throughout this policy, and the following policies, we will ensure steps are taken to prevent disabled pupils from being treated less favourably than others: Accessibility Plan, Anti-Bullying Policy, Behaviour Policy, Equality Policy, Parents/Carers’ SEN Information Guide, SEN Policy, Annual SEN Report.

Waverley is committed to providing an education that enables all pupils to make progress so that they achieve their best, become confident individuals living fulfilling lives and make a successful transition into adulthood.

As part of the Outer West Learning Trust Waverley works with multiple partners including Walbottle Campus, St. Cuthberts and Sacred Heart, Kenton and Studio West. With all of these partners there are opportunities for some of the following: transition weeks, school to school events (e.g. Science Fairs), openly promoting parent open days and visits (see also KS3 pathway booklet). The curriculum at Year 6 is designed to support children in academic preparation for transfer.

Objectives:
- To ensure equality of provision for pupils with special educational needs (SEN) and disability
- To provide full access for all pupils to a broad and balanced curriculum
- To ensure that the needs of pupils with SEN are identified, assessed, planned for and regularly reviewed to improve outcomes
- To enable pupils with SEN to achieve their potential
- To ensure parents/carers are fully engaged in decision making
- To take into account the views, wishes and feelings of pupils
- To provide advice and support for all staff working with pupils with SEN
To provide detailed information about the arrangements for identifying, assessing and making provision for pupils with SEN

**Admission Arrangements:**
The school has adopted the criteria set out in the Local Authority’s admission policy. The school welcomes children with known special educational needs and disabilities, as well as identifying and providing for those not previously identified as having SEND.

**Roles and Responsibilities:**
The Special Educational Needs Coordinator (Mrs Leeming) and SEN teaching assistant (Mrs Selkirk) together:
- overseeing the day-to-day operation of the policy
- coordinating provision for pupils with SEN
- maintain the SEND list and regularly update the SEND provision map;
- liaising with the Designated Teacher where a looked after pupil has SEN
- advising on the graduated approach to providing SEN support
- advising on the deployment of the school’s delegated budget and other resources to meet pupils’ needs effectively
- track progress using school-based and statutory assessment data;
- liaising with parents of pupils with SEN
- liaising with early years providers, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies
- being a key point of contact with external agencies, especially the local authority and its support services
- liaising with potential next providers of education to ensure a pupil and their parents are informed about options and a smooth transition is planned
- working with the head teacher and school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements
- ensuring that the school keeps the records of all pupils with SEN up to date

The SENCO has achieved the National Award for SEN Coordination.

The class/subject teacher:
- Set high expectations which inspire, motivate and challenge pupils
- Promote good progress and outcomes for pupils
- Plan and teach lessons in which teaching responds to the strengths and needs of pupils with SEN
- Work closely with support staff in the planning and monitoring of interventions
- Make accurate and productive use of assessment to inform the four part cycle
- Manage behaviour effectively to ensure a good and safe learning environment
• Fulfil wider professional responsibilities in relation to SEN eg. the effective deployment of support staff, professional development, acting on specialist advice
• Communicate effectively with parents with regard to pupils achievements and pupils well-being

The SENTA, supports individuals and groups of pupils at SEN support level of provision, both in class and through withdrawal for targeted interventions/programmes.

The governor responsible for SEN is Jenna Wilkinson

The designated for child protection is the Headteacher (W. Leeming), Deputy Head (K. Sample) and Director of Pastoral Services (S. Selkirk)

The designated member of staff responsible for managing pupil premium is the Headteacher (W. Leeming) with School Business Manager (SBM) E. Douse.

Looked after children (LAC)
The SENCO and designated teacher meet on a weekly basis to ensure that arrangements are in place for supporting pupils that are looked after and also have SEN. SEN reviews and PEP meetings are coordinated and where possible meetings are held on the same day.

The designated member of staff for looked after children is Sharon Selkirk (Link to LAC policy)

Access to Facilities and Provision:
Please refer to school’s accessibility plans which outlines how we:
• Increase access to the curriculum for pupils with a disability
• Improve and maintain access to the physical environment
• Improve the delivery of written information to pupils

Disabled toilets, lifts, where medicines stored etc (Link to Accessibility plan)

Allocation of Resources:
The head teacher and SENCO are responsible for the operational management of the budget for SEN provision. The school will use a range of additional funding including the notional SEN budget and, where applicable, pupil premium to provide high quality appropriate support for pupils with SEN. Where a pupil’s needs exceed the nationally prescribed threshold (currently £6,000) additional funding will be applied for from the local authority.
Access to the Curriculum
All pupils should have access to a broad and balanced curriculum. All pupils receive inclusive quality first teaching that is differentiated to meet individual need. Identifying, assessing, planning and review is part of Quality First Teaching. Our Parents/Carers’ SEN Information Guide and Annual SEN Report provides a clear description of the details of what is available for all children with SEN through Quality First Teaching and what is additional and different provision.

Pupils with SEN are actively encouraged and supported to join in and benefit from additional activities and clubs as well as any wider community activities.

The broad, balanced and relevant curriculum is differentiated to enable all children to access the learning. In planning and teaching, teachers aim to provide suitable learning objectives, meet the children’s diverse learning needs and remove the barriers to learning. For the majority of the week children with SEND are taught with their peers in mainstream classes. However, in order to maximise learning, some children are withdrawn, individually and in small groups, to take part in targeted, time-limited interventions planned to meet particular needs.

Children with SEND are actively encouraged and supported to join in and benefit from additional activities and clubs.

(Linked to Teaching and Learning policy)

Identification, Assessment and Review Arrangements:
Waverley follows the graduated approach of assess, plan, do and review as outlined in the Code of Practice (2014). This approach is embedded in whole school practice for all pupils and every teacher is responsible for ‘adapting teaching to respond to the strengths and needs of all pupils’. (Teachers’ Standards 2012)
School assessment data, teacher judgments and, where appropriate, assessments from outside agencies are used to identify pupils who require additional and different provision. A provision map / intervention map outlines all SEN support and is updated each term.

There are 4 broad areas of need:
- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties (please ensure that your anti bullying policy makes reference to the impact of bullying on SEN pupils)
- Sensory and/or physical needs
The following are not SEN but may impact on progress and attainment:

- Disability
- Attendance and punctuality
- Health and welfare
- English as an additional language (EAL)
- Receipt of pupil premium
- Being a looked – after child
- Being a child of service personnel

**SEN support – four part cycle**

The identification of SEN is built into the overall approach to monitoring the progress and development of all pupils in school. Termly pupil progress meetings support the early identification of pupils who may have SEN. Where concerns are identified an initial concerns checklist is completed and discussed with the SENCO. Staff are available to discuss this regarding the individual children in their class.

**Assess**
The class or subject teacher, working with the SENCO, will carry out a clear analysis of a pupil’s needs. This assessment will be reviewed regularly. Where appropriate, professionals will help to inform the assessment. Parents will be asked to contribute to the assessment.

**Plan**
Parents will be formally notified (include how this happens). Adjustments, interventions, support and review date will be agreed with staff, parents and pupil. This will be recorded on the school information system. (Reference to provision maps / intervention maps)

**Do**
The class or subject teacher will remain responsible for working with the pupil on a daily basis and retain responsibility for their progress and outcomes. The class or subject teacher will plan and assess the impact of support and interventions with any teaching assistants or specialist staff involved. The SENCO will support the above.

**Review**
The effectiveness of the support and interventions and their impact on the pupil’s progress will be reviewed on the agreed date. Reviews will be held with parents at least three times per year. The class teacher or subject teacher, working with the SENCO, will revise the support in light of the pupil’s progress. If a pupil does not make expected
progress over a sustained period of time school will seek specialist expertise. This will inform future provision. School liaises with the following services - Educational Psychology Service, School Health, School Effectiveness SEN team, Counselling Service, SpLD team SEN Teaching and Support Service (SENTASS) and, when appropriate, Social Services and Looked After Children Team. All of the above are purchased by school through a traded service and are not centrally funded.

Where, despite having taken relevant and purposeful action to identify, assess and meet the SEN of a pupil, the pupil has not made expected progress, then school or parents will consider requesting an Education, Health and Care assessment. School will provide the local authority with evidence of the action taken as part of SEN support.

**Further details on provision for pupils with SEN can be found in the Parents/Carers’ SEN Information Guide**

Parents/Carers’ SEN Information Guide
This guide, and the Annual SEN Report, can be found on the school website. These outline the provision normally available for pupils with SEN as well as provision within the four broad areas of need – communication and interaction; cognition and learning; social, emotional and mental health difficulties; sensory and/or physical. The Annual SEN Report includes an evaluation of the impact of the above provision on outcomes for pupils with SEN.

**Transition Arrangements**
Transition is carefully planned. In order to ensure successful transition both within school and from setting/school to setting/school. Parents/carers will be fully involved in the planning for the transfer to the new setting. Key information about SEN provision will be shared with the next school/setting through the review process.

Secondary – additional information about longer-term goals and transition into post-16 education. Preparing for adulthood - employment, independent living, health and community participation. (Link to Transition Policy)

**Partnership with Parents/Carers:**
School A has positive attitudes to parents/carers and values their important role in their child’s education. Parents/carers are always informed when their child is placed on the SEN list and the graduated response, outlined in the Code of Practice, is explained to them. Parents are informed about Newcastle Special Educational Needs and Disabilities Information, Advice and Support Service. This service provides information, advice and support at any stage of a child or young person’s education, and provides an Independent Supporter for families in the process of getting an Education Health and
Care Plan. Parents are fully involved in the review process. Interpreters are arranged for parents who require translation during meetings. Written information is in accessible formats and sufficient notice is given for meetings to enable parents/carers time to prepare.

The Parental Support Adviser, ..., is proactive in supporting parents in a variety of ways, including home visits, liaising with agencies, organising activities and facilitating and delivering training. Early Help (formally known as Common Assessment Framework - CAF) is used to coordinate support for children and their families who have a range of needs.

**Pupil Participation:**
The views of all pupils are valued. Pupils with SEN are supported to be involved in decision making and to be able to express any concerns. All pupils are aware of their individual targets and a pupil review sheet is used to gather their views on their progress. The pupil review sheet is completed with the SENTA on a termly basis. Pupils in key stage 2 and above are invited to attend their termly review meeting.

**Monitoring and Evaluating the Success of Provision** —
A variety of methods are used to monitor and evaluate the provision and achievements for the pupils with SEN:
- Regular observation of teaching by the senior management team
- Analysis of assessment data, with high expectations for the progress expected between key stages for all pupils,
- Assessment records that illustrate progress over time — e.g. reading ages
- Pre and post assessments for those pupils who are withdrawn for targeted interventions
- Success rates in respect of individual targets
- Monitoring by the governor with responsibility for SEN
- The views of parents/carers and pupils. Questionnaire for parents of pupils with SEN, pupil views of additional and different provision they receive.
- Regular meetings between SENCO, SENTA and head teacher / SENCO, head of year, subject leads
- Provision Mapping — used as a basis for monitoring the impact of interventions.
- LA SEN Review to externally validate provision and outcomes for pupils with SEN

**Staff Development:**
The Senior Leadership Team reviews the training needs of staff through Performance Management and pupil progress to plan appropriate CPD in relation to SEND. The SENCO ensures staff are informed of local and national developments in relation to SEN and Inclusion. Where appropriate, specialists are used to deliver the training. Newly qualified teachers are offered support and in school training by the SENCO. See Annual SEN Information Report for details. As part of the OWL Trust there are opportunities for School to School training with SEN for all staff.
Medical Conditions
School A will follow the recommendations of the Children and Families Act 2014 with regard to arrangements to support pupils with medical conditions. Where a pupil also has SEN, their provision will be planned and delivered in a coordinated way with their healthcare plan. (See also Medicines in Schools Policy and E. Douse staff member responsible for medicines at Waverley).

The Complaints Procedure:
Initially an attempt will be made to resolve a complaint about SEN provision at school level, within one week of the complaint having first been made. The procedure is firstly that the key worker / class teacher / form tutor attempts to resolve matters, then if required the SENCO and /or head teacher becomes involved. If the complaint is unresolved, then the person making the complaint is advised of their rights under Section 23 of the Education reform Act to make a complaint. The Governing Body will consider the complaint, after which, if necessary the LA will become involved. School will inform parents/carers of the local authority’s commissioned independent disagreement resolution service. Details can also be found in the Local Offer. (see also School Complaints procedure)

Date agreed: January 2018
