English Literature – A Level bridging work

Dear Students,

In response to the school closures caused by Coronavirus, The National Theatre is now offering username and password access to the National Theatre Collection. For a temporary period, plays can be accessed remotely ensuring students studying from home can still watch them.

Access details will be emailed out to parents but must not be shared outside of the college so please keep these to yourselves!

(The Log in button is in the top right-hand corner of the landing page. Please insert your username and password to left-hand option of the login pop-up.)

Please ensure you are typing the credentials in rather than copying and pasting them as this can insert invisible spaces which invalidate the details. These should be entered under the ‘access log in’ and not the ‘personal log in’. If you have any difficulties please test in another browser as some are known as having issues.

As part of your bridging work, we would like you to watch three productions, including an Othello, before September.
