https://request.org.uk/restart/2017/06/05/bible-quest-holy-week/ The Easter story.

You have been asked to create a display for your local church either to go in a window that can be seen from outside the church, or another form of presentation that can go on the church website, showing the importance of either Palm Sunday, Good Friday or Easter Sunday. (It could be a power point, poster or piece of artwork)

Can you include a suitable cross with an explanation about what this reminds Christians of. A recount of the key part of the Easter story linked to your display.

You might title each of the displays:
Why is Palm Sunday so important to Christians?
Why do Christians call the day Jesus died Good Friday?
What do Christians believe happened on Easter Sunday?
*(Taken from Core learning – making connections)*

**Year 5 – What did Jesus do to save human beings? & Year 6 – What difference does the resurrection make to Christians?**

The command to ‘Love your neighbour as you love yourself’ will involve some sacrifice.

What does it mean to sacrifice something? *(the act of giving up *something* that you want to keep especially in order to get or do *something* else or to help someone.)*

Ask pupils to draft a short charter for the school, local community or the world (if they can get that far) to explain how far the idea of sacrifice is good and necessary for making the world a better place. They should make links with Christian ideas and Jesus’ teachings. It is perfectly fine for them to say that sacrifice is not good, but they must offer good reasons and alternatives that will make the world a better place!

*(Taken from Year 5 Core learning – making connections)*
What sacrifices might people be making at the moment? How could you sacrifice something to help someone else?

Easter poem

Easter is a time when Christians think about Jesus.
A time when Jesus died on the cross.
Sad parts of the story are remembered at Easter.
There are such happy parts too!
Especially when Jesus rose from the dead.
Rejoicing happens at Easter.

I wonder if you can make your own Easter acrostic poem? Can you include things you have learned about the Easter story?
These video clips might help remind you of the story and why Christians celebrate Easter each year.

This term in Religious Education we have been learning about the religion Christianity trying to answer our unit big question: Why do Christians call the day Jesus died good?

Task:
You have been asked to create a display for your local church either to go in a window that can be seen from outside the church, or another form of presentation that can go on the church website. (This could be in the form of a power point, poster or piece of artwork)
It needs to show the importance of either, Palm Sunday, Good Friday or Easter Sunday to Christians.

It needs to include a suitable cross with an explanation about what this reminds Christians of, and a creative recount of the key part of the Easter story linked to your display, that is suitable for younger and older people.

These video clips might help remind you of the story and why Christians celebrate Easter each year.

This term in Religious Education we have been learning about the religion Christianity trying to answer our unit big question:

**Year 5**
- What did Jesus do to save human beings?

**Year 6**
- What difference does the resurrection make to Christians?

The command to ‘Love your neighbour as you love yourself’ will involve some sacrifice. Do you agree? Why/why not?

The Bible tells Christians that Jesus sacrificed himself for the sins of the world, so they could be forgiven.

**What impact do you think this sacrifice have on the lives of Christians?**

⇒ **What does it mean to sacrifice something?**

*Dictionary definition: the act of giving up something that you want to keep especially in order to get or do something else or to help someone.*

Does the dictionary definition match your thinking?

⇒ Do you think everyone is able to sacrifice something for someone else?

⇒ **What difference would it make to the world if everyone loved their neighbour and made sacrifices for others?**

**Task:** Create a poster for your school, local community or the world (you can choose) to help them understand that to make sacrifices for others is a good and necessary thing for making the world a better place.

⇒ What sacrifices might people be making at the moment? How could you sacrifice something to help someone else?
Now more than ever think "we" not "me"
