It all started when Ryan was 5 years old, he loved watching TV or playing with his toys but then one day it was time to go to school.

“Ryan it is time to go to school” Mum exclaimed.

“No” Ryan replied.

“Yes”

“No”

“YES”

“No no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no no”

The more Mum said yes the angrier Ryan got. Soon Mum saw that her son was turning red, his eyes were flashing from red too black, his
veins were not blue anymore instead red, his teeth were gritting together and his knuckles were crunched so hard they turned white.  
“OK, NO SCHOOL!” Mum screamed.

Ryan stopped raging and turned back to normal. Mum was so shocked she didn’t dare ask Ryan to do anything he didn’t like for a month. Ryan had the time of his life doing whatever he wanted.

Today Ryan was playing Fortnight but Mum came in and interrupted him, Ryan heard and turned around.

“Mum I am on 27 kills so far and I am nearly on victory royal” exclaimed Ryan.

“Good, Good?” Mum started “anyway, I thought…”

“Don’t do it!” Ryan warned.

“you could go to…”
“Don’t say it!”

“school”

Nothing happened for 1 second well 10 seconds. Then Ryan exploded and a hideous beast stretched out. He had two heads one was a werewolf, one was a dragon. He had bat wings, a snake tail and his body was an Abominable snowman. His arms were from King Kong and his hands were a bear with claws as long as a lightsaber and as sharp as a blade. He had a slimy, green giraffe neck, the feet of a tiger and the legs of a chicken.

Mum stared in horror as her son crushed the house. She ran out of the house as fast as she could before the place squished her. The beast was as tall as a skyscraper and it roared an echoing sound across the world. Ryan looked down at his Mum, he picked her up and the werewolf head bit her. Just then she
started growing fur and sharp teeth. She was a werewolf. Ryan dropped Mum and she ran away trying to turn more people into werewolves. Ryan walked over to Raj’s newsagent and used his bear hands to destroy it.

“OH, NO MY PACK OF BON BONS ARE STILL IN THERE” Raj screamed.

The dragon’s head breathed in and breathed out and a huge steam of fire streamed out and burnt a forest and all the animals ran out. Mum was running to find a human, she saw one. She ran over to him and bit him on the back. His ears grew pointy, he had become a werewolf. In the distance the animals from the forest were attacking people, the animals were bears, foxes and wolves. The people managed to escape and run into their home. Then Ryan made a deafening sound.
“EVERYONE” Ryan began “I NEED YOU TO BUILD A HOLE TO THE CENTRE OF THE EARTH SO I CAN DESTROY IT!!!!!!!!!!!!!!!”

Immediately everyone started digging. It took 1 Month for all the animals and people to get to the centre of the earth. Ryan looked down, he was about to blast the hole with his fire but suddenly he got shot up into space. Everyone got scared and ran because from in the distance there was a man in an iron suit with a rocket launcher on the end of his arm. The man stepped out, it was Ryan’s Dad!

And that was the end of Raging Ryan. So always be aware of what might happen if you don’t do what your mum asks!
