Well, we come to the end of what we know has been an incredibly different time for us all. It’s hard to believe we are already in July, and with only two weeks of the summer term left. I would just like to give you a reminder that the last day of school for all children at World’s End will be Friday 17th July 2020 as is made clear on our school calendar and website. There is a planned staff training day on Monday 20th July. Our bubbles will finish at their usual Friday collection time except for the Keyworker bubbles who will now finish at 12:30pm.

I have been delighted by the support and engagement that our families have shown to our school over the last few weeks with our wider opening to the government’s selected year groups. Thank you for following the new procedures and operations we have put in to make the school as safe as possible at this time.

The DfE guidance for September is hot off the press and we are already thinking forward to the new academic year, and the challenges of whole class or year group ‘bubbles’, maintaining distance and continuing our staggered starts, finish times and break times. I will contact you before the end of the academic year with information regarding our finalised plans.

Unfortunately, due to the restrictions in place due to COVID-19 we will not have the opportunity to say goodbye in our usual WEI&NS fashion.

Staffing Update
Mrs James has started her maternity leave; her new bundle of joy has arrived and mother and baby are home safe and well.

It is with great sadness that I share that we will be waving goodbye to two outstanding teachers at the end of this academic year; Mrs Islam and Miss Killelay.

Mrs Islam is preparing to pack up her belongings and return to China to continue her teaching journey. We hope that she will return to England, and World’s End in the future but wish her the very best for whatever experiences her travels include.

Miss Killelay will be ‘graduating’ from Nursery with a First-Class Honours and I would like to take this opportunity to thank her for everything she has done for our School during her twenty-one years here; the list is endless and far too long for this Newsletter however we will say that our outstanding EYFS provision is a credit to her hard work and dedication! We would like to wish her the very best for her at her new setting.

So Long, Farewell to all our twinkling stars in Nursery.....It has been a privilege to have been part of your learning journey and we wish you the very best of luck for the next exciting stage of your learning. Remember to always be a Tryatops and never give up... Reach for the Stars... Never Stop Believing!

Year 2 Leavers
We have watched you shine from the start and now you dazzle brightly!
We wish all of the Year 2 children the very best for their future and we are confident they will continue to ‘reach for the stars’ and that they will never stop believing they can achieve anything! Each and every child has been a credit to us in their time here at World’s End Infants and we will miss them very much!
We have appointed two new class teachers to join our WEIS family for September. Miss Mason and Mrs Campbell are very excited to be joining our team and look forward to meeting you all in September. Miss Mason will be based in Year 2 and Mrs Campbell will be joining the Year 1 team.
