Remember - You Are All Superheroes!

Thank you to everyone for ‘staying at home’ and ‘staying safe’.

I hope this letter finds you and your family well. We have had a busy few weeks preparing to welcome more children back to school from today, Tuesday 9th June. This has involved a great deal of preparation to make sure we have put in place all the guidance from the government while still adding a sprinkle of our ‘World’s End’ magic! More information is available on our website in the Key Information tab – COVID-19.

Our teachers are working hard to ensure any learning taking place in school will be included within our home learning activities and the template will be changing to support this; we will continue to post these activities weekly on our website for your reference however if you would prefer a paper copy of these resources please phone the school office or email the enquiry address to request this.

Welcoming More Children Back to World’s End Infant and Nursery School

Keyworker/Vulnerable Children
As we are now accommodating more children, and the bubbles are set, it is essential that places for keyworker/vulnerable children are booked via the school office or email at least a week in advance. Please call: 0121 -422-0453 or email enquiry@worldsendinfant.bham.sch.uk.

Nursery, Reception and Year 1
Parents who confirmed they wished their child to return to school from this week, were sent further details about our plans for the wider opening of WEI&NS; a Parent Information Booklet and a story to share with their child. The government has stipulated that numbers are capped and now our ‘bubbles’ are set we are unlikely to be able to accommodate anymore children under the current restrictions. We will be keeping up to date with the guidance from the government and will review our staffing capacity and our plans over the forthcoming weeks. If it is possible to accommodate the safe return of more pupils we will let you know.

‘Reach For The Stars – Never Stop Believing’ especially now!

We Miss You All!

Thank you to everyone who has been emailing in to your class email accounts; it has been wonderful to see the learning you have been undertaking at home – please look on our website to see what your friends have been up to!

Remember these accounts have been set up to give parents the chance to forward on examples of work and other communications from the children or to answer any queries or concerns you may have.

The email addresses all follow the same format: CLASSNAME@worldsendinfant.bham.sch.uk for example Mrs Fulcher’s Class email is 2f@worldsendinfant.bham.sch.uk, Mrs Hayden’s email would be 1h@worldsendinfant.bham.sch.uk etc.

Reception and Nursery will continue to use Tapestry as their way to communicate with children regarding their work. If you are having trouble with Tapestry, please email: enquiry@worldsendinfant.bham.sch.uk

Teachers will continue to access the class account during school hours; we aim to respond to your email within 48 hours.

If you would like communication for your child, with their teacher then please email the class account, you will not receive an email from the class account until you have emailed, this is because the teachers don't have a record of your email addresses.
Mrs G Wilford – Headteacher

**Wellbeing Support**

We have placed lots of resources to support our community during COVID-19. Please take a look at our website: Key Information – COVID 19. Mrs Fortnum, Senior Learning Mentor, will be contacting our families over the next few weeks to say hi and to see how everyone is. Our Family Support Worker is in school every Friday morning and can offer advice and support if required.

*Remember: We can and will get through this together!*

---

**My Stars of May**

Due to the current situation we are unable to celebrate the work and achievements of our superstars from across school in our usual Friday morning celebration assembly. Therefore we have been updating our website with a big shout out to ‘Stars of the Week!’ These children have been nominated by their teachers for their amazing effort in their Home Learning. The children below have received a nomination and a special delivery since my last Newsletter … We will be continuing this throughout June so please keep emailing in to your class teacher so that we can update our website.

**Stars of the Week!** (Week beginning 11/5/2020)

- RBW - Bobby
- RBP - Anes
- RHW - Ethan
- 1I - Myla

- RBP – Ava-Rose
- RHW - Lyla
- 1I - Annika
- 1H – Willow
- 1AJ - Seth
- 2ED - Caleb
- 2F - Joel

---

If you are continuing to home school we would strongly suggest that children do phonics and reading every day. Little Sutton English Hub has a daily phonics lesson which is similar to the lesson your child would receive in school.
