Numeracy
Measurement – understanding different lengths and using their knowledge to convert between units of length
Perimeter – measuring the perimeter of rectangles, squares and rectilinear shapes
Multiplication and division – using place value knowledge to multiply and divide by 10, 100 and 1000; recalling and using multiplication and division facts for their times tables up to 12x12; solving problems including multiplication and division

Geography
The children will use their map skills to identify the countries that the Romans invaded in Europe. They will compare the human and physical features of cities and towns during the time of the Romans. In addition, they will consider which natural resources drew the Romans to Britain.

ICT
In ICT, the children will begin by learning how to debug instructions. They will then create a quiz game on Scratch.

Literacy
Stories involving speech, using the stimulus ‘Gangsta Granny’
- Write an alternative ending to the story using speech punctuation
- Write a character description of Granny using expanded noun phrases and relative clauses
Explanation text linked to our Romans topic
- Write an informative report about who the Romans were using subheadings and bullet points

Science
Animals, including humans
In this topic, the children will be exploring the different types and functions of teeth and investigating how liquids damage teeth. They will also be learning about the journey of food through the digestive system.

Art/Design Technology
In DT, the children will plan how to create a Roman catapult by creating design criteria. They will then construct their catapult using suitable tools and joining methods. Finally, they will evaluate the success of their catapult against the criteria.

French
The topic will be ‘On the Move’ where the children will be naming different modes of transport and describing how they get to school.

Wylde Green Primary School
Curriculum Overview
Year 4
Autumn 2 2019

Important Information
Reading books - changed Tuesday and Thursday
Spelling test - Wednesday
Instant Recall test - Friday
POWer Projects - Friday
Reading homework - Wednesday
Instruments - Thursday (4H) and Friday (4W)
Mathletics - Friday

PE
Indoor PE – Tuesday (Gymnastics)
Outdoor PE – Thursday (Football)
