This half term’s POWer Project is:

‘Poles Apart’
All projects to be handed in by
Friday 27th March 2020.

Choose projects to achieve your minimum
5 POWer Points.

By all means go over 5 points!

Tick off what you have completed to achieve your points.

Explore your mathematical and scientific skills:

3 points
♦ Make ice lollies by exploring different amounts of drinks.
  - create your own recipe
  - explore what happens when they are placed in the freezer
♦ Freeze some small plastic toys in ice cubes. How much do they weigh when they are frozen? What happens when they melt?

Develop your creativity:

3 points
♦ Make a model of an igloo.
♦ Make a puppet of someone who might live in an igloo
♦ Draw 5 things you would need to live in one of the Poles
♦ Draw a picture of a person who lives in a Polar region. What do they wear? What will they need? Write labels or sentences about your picture.

Explore your locality:

2 points
♦ What different homes are there where you live?
♦ Create a scrapbook of photos of different types of homes.

Extend your research skills:

2 points
♦ Research the ways in which children live in Polar regions-how is it different to the way we live?
♦ Research the different types of homes people live in.
