Maths Challenges

The speed and accuracy of recalling multiplication facts is key to the success of your child in mathematics. To support your child in retaining this knowledge, they will complete Timestables Rockstars several times each week within school. In addition, they can practise using the Timestables Rockstars website at home.
Reading at Wylde Green

A teacher will listen to your child read at least once a week during their guided reading session. In order for you to support your child, it is very important for you to listen to your child read at least twice a week.

Children can change their books on their given day and we request that you complete and sign their Reading Record. Reading Records are an ideal opportunity to leave comments for the class teacher should you have any concerns about your child’s progress in reading. If your child has finished the school reading scheme, you should continue to note which books
they are reading and sign the Reading Record Book.

**Bug Club**

To access books on-line we use Bug Club. Log into Bug Club from ActiveLearn Primary (this can be accessed through Google).

There will be a workshop for Maths and English and we shall notify you nearer the time.

Parents’ Evening

**Behaviour**

At Wylde Green, we have a consistent approach to monitoring behaviour across the school. Children are asked to make the ‘right choice’ with their behaviour and understand that the consequences are as follows:

Warning.
Move down the ladder once.

Move down the ladder again. Once they have moved 3 times, they will be given a Yellow Card and will miss their next break time.

Red Cards are given for serious offences such as fighting (including play fighting), damaging property and serious challenges to authority.
