English Texts at Wylde Green Primary School

Throughout the course of the academic year, pupils’ English lessons will be developed through studying units of learning based around some inspirational and well-chosen classic children’s literature. These texts are linked to the units of work the children are studying in their topic lessons and are designed to support pupils’ understanding of literature within the wider context of the world around them.

Click on the hyperlinks provided to discover which texts are used in each year group.
