This half term’s POWer Project is:
‘Walls and Barricades’

Choose projects to achieve your 7 POWer Points.
You can add with your own ideas too! Tick off what you have completed to achieve your points.

3 POWer Points:
Develop your creativity:
♦ Make a model of a castle to show its features and defences.
♦ Create a castle, its defences and grounds using Minecraft or LEGO.
♦ Explore graffiti art, and use to design your own Graffiti style name to display.
♦ Design a ‘State of the art’ castle with modern day defences.

2 POWer Points:
Mathematical skills:
♦ Draw a plan drawing of a castle.
♦ Create a local guide to castles. Where would you explore? How far away is it? How much would it cost to travel there? How much would it cost to stay?

Additional Maths Activity: 3 POWer Points
♦ Create a list of ten famous walls; -order by length. -order by height. -create a graph of your choice to represent your data. -find the mean, median, mode and range of your data.

1 POWer Point:
Explore …
♦ Visit a local castle—take photographs.
♦ Science game ‘Destroy the castle’ using a Trebuchet
http://www.pbs.org/wgbh/nova/lostempires/trebuchet/destroy.html
♦ Walls where you live. How are they different? How are they significant in your community? Take photos/ make rubbings.

Choose projects to achieve your 7 POWer Points.
You can add with your own ideas too! Tick off what you have completed to achieve your points.

Choose projects to achieve your 7 POWer Points.

2 POWer Points:
Research skills:
♦ Research castles in your locality. Create a ‘castle map’
♦ Create a Horrible Histories guide to roles of people in defending their castle.
♦ Top 5 famous walls around the wall. Make a map and fact file.
