Visit your local library, find a book on the topic. After reading choose one of the following:

- Book report
- Poster on the book
- Advertisement for the book
- Draw a picture

Draw a map of your local area, where are the fire stations, police station, and hospital? Can you show their co-ordinates and create a journey between each one?

Learn the 2-12 time tables.

Design a uniform for the people who help us. Think of their job and what materials would be suitable and why?

What would happen if people didn't help? Are fire fighters jobs important? Why?
